

New Sedgemoor Pool Access Procedure 2022

As many of you know we have struggled in past years to keep our pool used by Sedgemoor residents only. As Sedgemoor residents we pay all the costs through our assessments to operate the pool and we want to eliminate the trespassing by other people. We have installed a new electronic gate system to gain access to the Sedgemoor pool this year. The gate will be locked at all times and you will need a key fob to open it.

Every household may receive one key fob. You will need to submit the form below and pay a \$25 deposit for your key fob. This \$25 will be refunded to you when you return the key fob. Of course, your assessment payment must be current to receive a key fob. If you are a renter, your landlord must be current in assessment payment.

If we receive your request by May 14, 2022, we will have your key fob for you at the pool opening party on May 21, 2022.

You may contact any member of the Sedgemoor BOD with questions.
